## About Me

No need to hurry. No need to sparkle. No need to be anybody but oneself. -Virginia Woolf

### Short bio

I started writing because it's in my blood. I remember visiting my grandmother's apartment and getting my fingers dusty running my hands along the book spines. My dad is a newspaper man, one who always valued an economy of words, and whose moral compass always pointed north.

In 2013, I graduated with a bachelor of arts degree in nonfiction writing. I have since written for various outlets, including Town & Country, Bustle, Alt Citizen and Consequence of Sound.

### I live in: San Francisco
