

# LOGIČKA JEDNAŽIBA 1

## TABLICA STANJA

$$\overline{A \cdot B} \cdot \overline{B + C} = \overline{(A \cdot B) \cdot (B + C)} = \overline{A \cdot B} + \overline{B + C}$$

$$= \overline{A} + \overline{B} + B + \overline{C} = \overline{A} + 1 + \overline{C} = 1$$

8421
