

Assignment 4:

Every student will get the assignment 4 to her/his email address.

The assignment should be solved individually.

When preparing solutions, you can follow the same procedure as it is given in lesson 4 in Loomen: Solutions MoER Statistical Tests.

Please copy tables of results from Statistica to Word in a way that you click on your right mouse button when you mark the table and choose 'Copy with Headers'. Solutions should be uploaded on MoER Loomen.

Deadline for uploading solutions is: 22nd of February 2021.
